CIES, the Comparative and International Education Society, is an academic association dedicated to increasing understanding of educational issues, trends, and policies through comparative, intercultural, and international perspectives.

CIES is the largest and oldest of 47 comparative and international education societies around the world. Its more than 4,400 individual members — researchers, analysts, practitioners, and students — represent over 1,000 universities, research institutes, government departments, non-governmental organizations, and multilateral agencies across the globe.

CIES members explore educational issues related to schools, students, teachers, and administrators — from early childhood and primary school to secondary and higher education, as well as non-formal education and lifelong learning. Some compare achievement inequalities across socio-economic status, gender, ethnicity, and language. Others examine the relationship between education and cultural processes, democratization, globalization, economic development, and political conflict.

Established in 1956, CIES has attracted a diverse audience in working towards its mission to foster cross-cultural understanding and scholarship. Within the last decade alone, CIES membership has doubled — reflecting the global expansion of academic and professional positions as well as a commitment to international education and cooperation.

Truly international, CIES includes members from over 112 countries. As of 2018, the countries with the highest numbers of CIES members were: The United States, Canada, the United Kingdom, Japan, China, South Africa, Mexico, Germany, Kenya, India, Hong Kong, Chile, Norway, Australia, and Korea.
La Sociedad de Educación Comparada e Internacional — CIES, por sus siglas en inglés — es una asociación académica dedicada a incrementar el entendimiento de temas, tendencias, y políticas educativas, mediante perspectivas comparadas, interculturales e internacionales.

CIES es la mayor y más antigua de las 47 sociedades de educación comparada e internacional en el mundo. Sus más de 4,400 miembros individuales –investigadores, analistas, profesionales, y estudiantes – representan más de 1,000 universidades, instituciones de investigación, oficinas de gobierno, organizaciones no gubernamentales, y agencias multilaterales a nivel internacional.

Los miembros de CIES exploran temas educativos relacionados con escuelas, estudiantes, maestros, y administradores, desde educación inicial y básica, hasta educación secundaria y superior, así como educación no formal y aprendizaje permanente. Algunos comparan desigualdades de aprendizaje según nivel socio-económico, género, etnia, y lenguaje. Otros examinan las relaciones entre educación y procesos culturales, democratización, globalización, desarrollo económico, y conflicto político.

Establecida en 1956, CIES ha atraído un público diverso para lograr su misión de fomentar entendimiento entre culturas a través de la investigación académica. Sólo en la última década, se ha duplicado su membresía, lo que se ve reflejado en la expansión global de puestos tanto de académicos como de profesionales, así como compromisos con la educación internacional y la cooperación internacional.

Verdaderamente internacional, CIES incluye miembros de más de 112 países. Actualmente los diez países con la mayor membresía son: Estados Unidos, Canadá, Reino Unido, Japón, China, Sudáfrica, México, Alemania, Kenia, India, Hong Kong, Chile, Noruega, Australia, y Corea.

CIES MEMBERSHIP by Region, 2018
ABOUT CIES 2020 MIAMI

CIES 2020 MIAMI is the 64th Annual Conference of the Comparative and International Education Society, to be held in Miami, FL, from March 22-26, 2020.

CIES Annual Conferences are academic conventions attended by researchers, students, practitioners and policymakers interested in comparative and international education. As part of these events, Society members and the interested public gather together for scholarly and practical exchange, as well as for debate and networking — via lectures, research presentations, workshops, book talks, social events, and more.

Each CIES conference has a theme that is intended to serve as a broad umbrella under which a wide range of work can be presented. This year’s conference theme is “EDUCATION BEYOND THE HUMAN.”

We live in a moment of epochal precarity, amidst irreversible environmental catastrophe that is impacting all life on Earth. Signaling the end of human exceptionalism, this era calls for an urgent redefinition of what it is to be human and a reconfiguration of the relationship between human and Earth. How should education respond to a world of shifting planetary boundaries and collapsing ecosystems? What education policies, practices, and pedagogies can help re-situate the human within the relational flow of life where everyone and everything – both human and non-human – are deeply interconnected? How can we learn to responsibly encounter and fully engage with a more than human world?

Audience

With an extensive network of education scholars and stakeholders, CIES welcomes sponsors, exhibitors, and advertisers to engage with its global audience. Among those who attend the CIES annual conference each year are professors, deans, and department heads from the world’s best universities; officials and decision-makers from government agencies; and personnel from non-governmental organizations (NGOs) worldwide.

Last year’s event in San Francisco, attracted over 3,000 registrants who participated in over 800 sessions—with 81 partner organizations promoting engagement via a range of sponsored events, in program advertisements, and on-site at exhibitor tables. Once again this year, we invite organizations, institutions, and businesses to promote their activities, brands, and products to the global educational leaders that make up our Society.

CIES also provides complimentary registration for members of accredited media organizations and encourages press coverage of our event.

Venues

CIES 2020 MIAMI will take place at the Hyatt Regency Miami hotel. Hyatt Regency Miami sits next to the heart of Brickell, one of the trendiest neighborhoods in Miami. With its iconic white towers overlooking the Miami River, this pet friendly hotel is connected to the James L. Knight Center. The location puts you steps from the Miami Riverwalk and less than ten minutes from the Port of Miami. Take a short walk to the free Metromover station and ride to destinations like Coral Gables or the Wynwood Arts District. Shop the Brickell City Centre, less than ten minutes away, visit Little Havana to experience authentic Latin cuisine, or explore the Philip and Patricia Frost Museum of Science.

Get inspired in this event space in Miami, which will feature over 35 flexible meeting rooms, including the Regency Ballroom, and 100,000 square feet of meeting space. This conference venue will help ensure that your experience at CIES 2020 MIAMI is engaging and motivating.

CIES 2020 MIAMI is taking measures to reduce the conference’s carbon footprint. Exhibitors and sponsors, at all levels, are strongly encouraged to reduce waste by using digital advertisements when possible and using recycled paper when printing.
SPONSORSHIP OPPORTUNITIES

Collaboration with external organizations and institutions furthers the mission of CIES in advancing the field of comparative and international education — and creates more meaningful experiences for our conference participants. Our sponsorship opportunities are designed to encourage conference-goers to engage with your organization, all while helping to make our event more sustainable. In the following pages, you will find more details on the $10,000, $5,000, $3,000 and $1,000 sponsorship opportunities available at CIES 2020 MIAMI. If you would like to discuss any other sponsorship opportunities, please contact the Executive Director (contact details below). You can apply now to be a sponsor using the online sponsor application portal. A link to the application can also be found on the conference website. The application includes a menu of sponsorship options to choose from, and payment may be made directly through the sponsorship portal.

For questions concerning sponsorship, please contact:
CIES Executive Director

M. Najeeb Shafiq
mnshafiq@cies.us
412-648-1832

Guaranteed Sponsorship Benefits

- **Official designation** as “partner organization”, with recognition in print and digital versions of CIES 2020 MIAMI conference program.

- **Promotion** of “partner organization” status via CIES social media channels and member communications.

- **Listing in CIES 2020 conference program** with description of organization, Twitter account, and link to URL of choice.

- **Signage/branding** recognition as part of sponsored event and/or item.
Institutional Receptions

As our post-conference surveys have shown, our audience prioritizes opportunities to have conversations, share ideas, and network with colleagues. And even after panel sessions have ended for the day, conference attendees continue dialogue and networking into the evening by attending receptions hosted on-site at the conference venue. Institutional receptions offer attendees a place to extend thoughtful conversations with peers and with representatives from the institutions that sponsor them.

At CIES 2020 MIAMI, an institutional reception hosted by your organization can be scheduled to take place on the evenings of Monday, March 23th; Tuesday, March 24th; or Wednesday, March 25th.

Receptions may be sponsored independently or co-sponsored jointly by multiple institutions to cover food and beverage costs, which vary depending on the specific menu and audience size. Receptions may be open to all conference attendees or restricted to invited guests. We will work directly with your organizational representative(s) to ensure that all arrangements are made to suit your tastes and budget.

Breakfast/Lunch Networking Receptions

75-minute (negotiable) breakfast or lunch networking receptions may also be hosted at the conference hotel, including food and beverage catering for up to 100 guests. Management of the guest list will be entirely at the discretion of your organization. Several spaces have been identified on-site at the venue in order to accommodate setup for buffet-style or sit-down meals. We will work directly with your representative(s) to ensure that all arrangements are made to suit your needs.

On-site Meeting Space

We understand that external organizations take advantage of CIES 2020 MIAMI as an opportunity to host meetings among their own personnel and partners. As we regularly receive requests for on-site meeting space, we plan to dedicate use of one formal boardroom (seating up to 12 persons) for this purpose. Organizations or institutions who partner with CIES as sponsors, advertisers, or exhibitors will be permitted to reserve 1-hour blocks of meeting space on a first-come, first-served basis.

Travel Support for Conference Participants

There is a high level of need for support to attend our conference, and with your help, we can make this the most inclusive CIES annual meeting yet.

Wi-Fi Network

Associate your organization’s brand with wireless internet capability as the official Wi-Fi sponsor of CIES 2020 MIAMI. In order to help conference participants get online, the name of the Wi-Fi network itself will reference your organization and its logo will appear on signage and business cards with log-in information distributed at the registration desk. Reliable Wi-Fi connection will be essential in helping all attendees make the most of their conference experience.
**Childcare**

Help CIES support gender equity by making a contribution to subsidize arrangements for on-site childcare at CIES 2020 MIAMI. With over 1,300 square feet of space, our childcare area will be managed by a nationally-recognized and fully accredited childcare provider offering high-quality activities for children ranging in age from infants to pre-teens. By recognizing your organization as our official childcare sponsor in the CIES 2020 conference program and all promotional materials, this opportunity will not only contribute to raising the profile of your work with children and youth, it will also earn sincere gratitude from conference-goers. Feedback collected from our post-conference surveys has made clear that our conference participants emphatically support the availability of childcare services on-site.

**Snack Stations**

As CIES 2020 MIAMI attendees rush from session to session at the conference venue, they will be delighted to encounter a table offering a nutritious grab-and-go snack. Sponsoring a snack station not only offers a superb opportunity to display signage at the event space, but also a chance to earn kudos from appreciative conference participants. With concurrent sessions running from 8am to 6:30pm every day, this sponsorship opportunity associates your brand with a much-needed energy boost. And with great flexibility in terms of scheduling, your sponsored snack break can appear at the perfect time and place to attract an audience for a key session or presentation.

**Coffee Refreshment Breaks**

Help CIES 2020 MIAMI participants get an extra boost by sponsoring a refreshment break with coffee and tea. Coffee refreshment break sponsorships offer your organization an excellent opportunity to promote and publicize its work while inviting highly-appreciative conference participants to take advantage of a much-needed break. CIES attendees consistently identify socializing and networking opportunities among the primary reasons they come to the annual conference, and each full conference day offers the opportunity for sponsorship of a 30-minute refreshment break where your organization can display signage, project media, and interact with participants. Four coffee refreshment break sponsorships are available for CIES 2020, with one break scheduled each day between Monday, March 23, and Thursday, March 26.

**Travel Support for Conference Participants**

Promote the inclusion of more diverse voices at CIES 2020 MIAMI by pledging travel support for select conference participants. The CIES Office of the Executive Director (OED) will work with you to identify benefactors who have greater financial need and/or merit special recognition. This may include students, scholars from the Global South, delegates from under-represented institutions, or presenters sharing research on noteworthy topics.

**Family Space**

At the CIES 2020 MIAMI conference venue, a family space will be made available in the conference registration area. The space will have a selection of books and toys to keep the children engaged and within eyesight as their parents check-in and/or register.

**Hydration Stations**

Encourage conference participants to stay hydrated throughout the non-stop conference day, all while helping the environment too! Hydration station sponsorships create an eco-friendly on-site space where fresh drinking water is dispensed. Your organization can display its branding at hydration stations on each floor of the conference venue.

**Techbar**

Assist CIES 2020 participants to navigate technical issues by sponsoring a help desk for attendees. This includes support with Wi-Fi, how to download presentations, and where to get help on any phone or laptop issue relating to the conference.
Espresso Cart

Start your own coffee shop by setting up an espresso cart in the middle of the exhibitor space at CIES 2020 MIAMI! Whether to attract those aficionados who crave more than drip coffee or to satisfy conference participants who need a pick-me-up long after the morning coffee breaks have ended, your branded espresso cart station will serve as a gathering place that simultaneously draws an interested crowd to your exhibitor display.

Twitter Feed Projections

As more and more attendees engage with social media each year as part of their conference experience, your organization can sponsor highly-visible, on-site screens dedicated to projecting a live Twitter feed. Not only will signage credit your organization as “host” of the Twitter feed, your organization’s representatives are invited to engage with participants and keep contributing to the conversation by using the official conference hashtags: #CIES2020 and #EdBeyondHuman.

Writing Notepads

Be on the minds of all attendees as they jot notes down from engaging sessions on the official conference notepad, which prominently showcases your organization’s logo alongside CIES 2020 MIAMI branding. Notepads will be available for participants at registration. Notepad graphics may be designed either by the sponsor or by CIES, and both parties must approve the final design.

Networking Lounge

Help facilitate networking among CIES 2020 MIAMI attendees by serving as an official sponsor of dedicated lounge space at the conference venue. Your organization will gain significant exposure as host of one of these high demand spaces, designated on maps around the venue as well as in the conference program. The networking lounge may be set up with skirted tall-boy cocktail tables, or staging office furniture may be rented at an additional cost.

Travel Support for Conference Participants

Promote the inclusion of more diverse voices at CIES 2020 MIAMI by pledging travel support for select conference participants. The CIES Office of the Executive Director (OED) will work with you to identify benefactors who have greater financial need and/or merit special recognition. This may include students, scholars from the Global South, delegates from under-represented institutions, or presenters sharing research on noteworthy topics.
Photo Frame Cutout

It won’t be easy to forget your organization when your brand is featured as part of the social media traffic coming out of CIES 2020 MIAMI. Conference participants will be lining up to take group photos and “selfies” in front of a cutout picture frame branded with your organization’s logo, CIES 2020 hashtags, and graphics inspired by Miami.

Running Route Map

Getting exercise and sticking to a healthy routine while on the road is a priority for many of our conference attendees. Your organization is invited to sponsor wellness and exercise by branding our CIES 2020 MIAMI Running Route Map. A morning run on the conference day of your choice will be advertised via this promotional flyer made available at the registration tables, guiding participants on a round-trip path around Miami!

Souvenir Postcards

Make it convenient for conference participants to send greetings from the Sunshine State! Souvenir postcards (postage not included) will be custom-printed with a picturesque photograph of Miami as well as your organization’s logo. Given that CIES participants come from all over the world, your organization is sure to spread global awareness of its brand.

Networking/Relaxation Nooks

Spaces for conference participants to sit and take a break, or converse with new and old colleagues are always in high demand. We invite your organization to sponsor micro-meeting “nooks” that can be used by conference participants to network or relax.

Charging Stations

Conference days are long days and require more power than a typical battery can last. Help participants while promoting your organization by providing a charging station. As they plug-in and charge their devices, participants at CIES 2020 MIAMI will undoubtedly recognize the visibility of your organization and appreciate its forward-thinking in making such a well-used resource available. Set up in high-traffic networking spaces around the conference venue, charging stations will ensure that conference-goers stay “plugged in” as they interact with colleagues and with your organization’s representatives.

Travel Support for Conference Participants

Promote the inclusion of more diverse voices at CIES 2020 MIAMI by pledging travel support for select conference participants. The CIES Office of the Executive Director (OED) will work with you to identify benefactors who have greater financial need and/or merit special recognition. This may include students, scholars from the Global South, delegates from under-represented institutions, or presenters sharing research on noteworthy topics.
**EXHIBITOR OPPORTUNITIES**

Exhibits will be located in high traffic areas within the Hyatt Regency Miami.

Your organization will be provided name badges for any representatives who will be stationed at your tables in the exhibit hall. Please note that exhibitor registration does not substitute for CIES 2020 MIAMI conference registration, which permits full access to academic sessions and social events. CIES 2020 conference participants will need to register separately via the official conference website, cies2020.org or via direct link to the exhibitor registration portal. However, registered (and paid) conference participants may also represent your organization at its exhibitor tables and do not require additional “Exhibit Hall Only” badges.

Exhibitor tables will be covered with black linens and skirted. Each table will be equipped with two chairs.

The exhibit hall is protected by security during non-exhibit hours. Space in the exhibit hall will be assigned on a first-come, first-served basis. CIES reserves the right to alter the official floor plan and/or re-assign any exhibitor’s location as deemed advisable.

**IMPORTANT INFORMATION FOR EXHIBITORS**

Hyatt Regency Miami, in partnership with CIES, will receive shipments from CIES 2020 vendors. To guarantee timely arrival, you should plan for your shipment to begin arriving directly to the Hyatt Regency Miami no earlier than March 9, 2020. The cut-off date for receiving shipped materials is Friday, March 20, 2020.

After completion of vendor registration, you will be sent specific shipping instructions for exhibitor materials, as well as contact information for the Exhibitor Manager who will provide assistance with the shipping process.

While Wi-Fi internet service is expected to be provided by the conference organizers, any additional requirements for exhibitor table, such as, electricity, power strips, dedicated internet lines, or audio visuals needs should initially be requested at the time of vendor registration. After registration has been completed, the Exhibitor Manager will make contact for electrical, internet, and audio visual order placement and provide instruction for payment. Exhibitor requests for extra services should be made by March 9, 2020.

Unless otherwise pre-arranged, CIES cannot return any materials. Leftover samples will be distributed to students and volunteers during the exhibitor dismantle period.

---

**ALL EXHIBIT TABLES MEASURE:**
60” length X 30” width

**DISCLAIMER:** While reasonable security and periodic monitoring will be provided on a 24-hour basis, CIES, IUC, and the Hyatt Regency Miami will not assume any liability for damage, theft, or loss related to vendor materials or equipment.
ADVERTISING OPPORTUNITIES

A complete **CIES 2020 MIAMI program book** (250-300 pages) will be available for attendees to purchase in printed form at a cost of $25 USD, or they may access program information online at no charge. **Advertisements** will be included in both the print and digital (PDF) versions of the program.

**PRINT ADVERTISEMENT**

**Full-page Ad**

8.5"W x 11”H  
(portrait orientation)

$500

**Half-page Ad**

8.5"W x 5.5”H  
(landscape orientation)

$350

Your organization must provide **camera-ready artwork** (no-bleed) in black and white (grayscale) for printing in the hard-copy conference program, as well as in color for publication in the digital version (PDF) of the program.
VENDOR POLICIES

Standards & Appropriateness

The Comparative and International Education Society (CIES) is a scholarly association dedicated to increasing the understanding of educational issues, trends and policies through comparative, cross-cultural and international perspectives. Its approximately 4,000 individual members—researchers, policymakers, practitioners, and students—use different conceptual frameworks to explore topics related to education. These include a focus on schools, students, teachers, and administrators, and on issues spanning early childhood and basic education to secondary and higher education, as well as non-formal education and life-long learning. Many CIES researchers compare learning and other educational disparities related to wealth, gender, ethnicity, language, and socio-demographic status. Others examine the relationships between education and cultural processes, democratization, globalization, economic development, and political conflict. The discourses, practices and programs of international actors—both governmental and non-governmental—are also an important topic of interest.

CIES is opposed to discrimination based upon sex, actual or perceived gender, age, race, color, religion, creed, national or ethnic origin, disability, sexual orientation, gender identity, and expression, genetic information, parental, marital, domestic partner, civil union, military, or veteran status.

All promotion by “VENDORS” (defined as sponsors, exhibitors, and/or advertisers) must relate to the professional interests of CIES membership and be in accordance with CIES’s commitment to ethical standards and to non-discrimination. CIES reserves the right to reject any advertisement which in CIES’s sole discretion is not in keeping with the organization’s editorial purpose or not meeting its production standards. CIES also reserves the right to place the word “advertisement” in any promotional materials that resemble editorial matter, or to reject or request redesign of any promotional materials too closely resembling editorial matter.

Liability & Indemnification

Although security service will be furnished at the Hyatt Regency Miami for CIES 2020 MIAMI, CIES cannot and will not be responsible for damage to, loss and/or theft of property belonging to any vendor, its agents, employees, business invitees, visitors or guests. Each vendor must carry its own insurance. Vendors agree to make no claim for any reason whatsoever against CIES, IUC, their officers, directors, employees, agents and authorized representatives, or the facility/hotel.

Vendors assume total and complete liability for the copy in their promotional materials and warrant that same does not represent or contain false claims or infringe on the trademarks or copyrights of others. Vendors hold CIES harmless from any and all liabilities or claims which may arise from any such infringement, alleged infringement, or other claims arising from the nature or content of the advertisements, and agree to indemnify and to reimburse CIES for any and all costs, including legal fees, incurred as a result of any such claims.

Vendors assume complete responsibility for the copy and artistic content of their promotional materials. CIES’s liability to vendors for any act or omission in connection with the reproduction of an advertisement or the performance of any other obligation is and shall be limited to the cost of the ad or portion thereof.

Eligibility & Termination

CIES reserves the right to determine the eligibility of any vendor to sponsor, exhibit, or advertise as part of CIES 2020 MIAMI and further reserves the right to reject any application and/or limit space assigned to any one company or product.

CIES reserves the right to terminate without notice a vendor’s right to sponsor, exhibit, or advertise if the vendor or any of its representatives fail to observe the policies outlined in this prospectus, or if in the opinion of CIES, they conduct themselves in an unethical or unprofessional manner. Such vendors will be dismissed without refund.
VENDOR POLICIES (CONT’D)

Non-Endorsement

The sponsorship, exhibition, or advertising of products or services at CIES 2020 MIAMI does not constitute an endorsement by CIES. Vendors are not permitted to represent that their products or services have been endorsed by CIES unless express written endorsement has been provided.

Non-Solicitation

Solicitation is allowed only in the exhibitor identified area. No organization or individual without assigned exhibit space, sponsorship, or CIES endorsement will be permitted to solicit business or distribute promotional materials during CIES 2020 MIAMI, being held at the Hyatt Regency Miami hotel.

Photography & Video Recording

Photography and video recording is permitted during CIES 2020 MIAMI proceedings and within the exhibit hall. Please be advised, however, that certain conference registrants may have opted not to grant CIES and its affiliates permission to use their image. IUC will help vendors identify such participants so that their requests may be accommodated.

Hotel Accommodation

CIES has reserved sleeping rooms for annual conference attendees at the conference venue at preferential rates. Visit cies2020.org for more information.

Payment Information

Payment for sponsorships, exhibit space, or advertisements must be received in full by February, 28 2020. The full balance is required in order to proceed as outlined in this prospectus. Available payment options include check, credit card, or wire transfer.

Cancellation Policy

Vendors shall give written notice of cancellation. If a sponsor, exhibitor, or advertiser cancels prior to February, 28 2020, CIES will retain $200 for handling and processing charges and return all other fees. Refunds will not be made past February 28, 2020 under any circumstance.
